# KEYLINE FORD REMOTE CONTROLS

The range of Keyline car remotes expands with the RFD100 and RFD80 models for Ford keys, presented to the world for the first time. Entirely on-board clonable, they guarantee perfect synchronization with the original Ford remote without altering the functionality.

Keyline remote for Ford is available in two versions:

**RFD100** - With an integrated TK100 board, which is the universal electronic head for all types of fixed code transponders, Texas Crypto transponders and second generation Philips Crypto transponders. With this version, key functions can be cloned with the 884 Decryptor Ultegra or with 884 Decryptor Mini. Remote functions can be easily programmed on-board.

**RFD80** - With the original Texas 80 bit integrated transponder, to be programmed with a diagnostic tool. Remote functions can be easily programmed on-board.

Keyline RFD100 and RFD80 have a plastic head with four buttons and a replaceable battery, and are available with three different key blades - FD3, FD21 and FD40 - for the duplication of Ford models from 1998 onwards.

初めて世界に披露する、フォードキーのためのキーライン最初の自動車リモコンのRFD100とRFD80です。

884 Decryptor Ultegraでクローンができ、完全にオンボードプログラム可能。機能を変えることなく、完璧にオリジナルFordリモコンと同期化することを保証します。

キーラインフォードリモコンは二つのバージョンがあります：

**RFD100** - TK100付きバージョン。TK100はすべての種類の固定コードトランスポンダー、Texas暗号トランスポンダー、第2世代Philips暗号トランスポンダーに適用するの万能電子ヘッドです。

このバージョンで、884 Decryptor Ultegraや884 Decryptor Miniにて鍵機能のクローニング可能です。リモート機能は、簡単にオンボードでプログラムすることができます。

**RFD80** - オリジナルTexas 80ビット統合トランスポンダー付きバージョン。診断ツールでプログラムします。リモート機能は簡単にオンボードプログラムすることができます。

Keyline RFD100-RFD80は四つボタン付きのビニールヘッドと交換可能なバッテリーがあります。FD3、FD21とFD40、この3種類のキーブレードを使って、1998年からのFordリモコン機能をコピーすることができます。

\*\* Texas is a broad meaning of the Company Texas Instruments Incorporated registered as a Trade Mark. \* Philips is a broad meaning of the Company Philips registered as a Trade Mark. All brands and trademarks published here are exclusive property of the relevant car makers or groups. For instance, brands such as Abarth, Alfa Romeo, Fiat, Lancia are owned by the Fiat Group and are published herein only and exclusively as a reference for the final customer, in order to identify the spare part to be used.
